

ADVENTURES of GOD

It's a device that will allow us to travel to random dimensions! I've been using it to figure out possible ways to improve our own dimension's future!

Can we use it?

Let's go!

Where are we?

Alternate Universe where
you didn't nuke the lizards

Here's your coffee, honey!

I said I wanted CREAM!!

ROAR!

Let's go!

This is a Universe where Jesus went against your wishes and continued His career in carpentry.

Introducing the
future of sitting!

The rocking stool!

Four colors at launch: red, violet, green and white!

For only 2000 gold coins-

Let's go

And in this Universe, a reality
TV star rules the free world!
Now this is ridiculous! Hahaha

Wait a minute, this
is our Universe...

Um, dad?

I think that's the
wrong reality TV star
